Dear Andy Irving

GROW - Donation receipt

Thank you for your kind donation to GROW. Your donation will support us with our plans to expand and strengthen our work within schools and communities to promote mental well-being, physical health, and a more hands-on relationship with the natural world.

Please continue to share our belief, aim, and ambition of GROW with your networks and friends:

Our belief is that every young person, no matter their background, should be able to access and benefit from programmes like GROW.

Our aim is to see GROW become second nature, as normal in a young person's day as a maths lesson or football practice.

Our ambition is for GROW to feature as part of the national curriculum by 2030.

THANK YOU!
